

AWC Rental Service & COVID-19 Safety Plan & Guidelines

Our Core Values at AWC are Kindness and Respect for Everyone (K.A.R.E.) and that includes mother nature as much as your fellow paddlers! We thank you in advance for helping us to help you have an amazing experience on the beautiful Moose River. Enjoy your paddle!

Participants may not operate boats under the influence of alcohol or recreational drugs.

All participants must wear appropriate personal flotation devices (PFD).

Children under the age of 4 may not participate.

Our first trip begins at 9am and our last trip leaves at 1:30pm. All trips will be picked up by 5pm, well before dusk.

Be prepared for your trip: bring water, sunscreen, bug spray, map, snack, phone (in dry bag) and wear appropriate attire.

Leave No Trace: everything you pack in, you must pack out. Leave things even better than you found them, mother nature thanks you!

All equipment (van, boats, paddles, life jackets) will be sanitized between each use.

All employees and participants must have a mask on hand to be worn whenever social distancing is not possible and always when in the shuttle.

The windows in the van will be kept open at all times during transportation to maximize air flow.

All employees and participants will sanitize their hands before entering the van.

There will be hand sanitizing and hand washing stations readily available.

All employees will only come to work if they are COVID-19 symptom free.

If you experience any signs of illness (fever, cough, shortness of breath) or feel unwell, you may not participate.
